ABOUT ME

Front-end developer from Prishtina, studying Computer Science at UBT. I build fast, polished, interactive websites with Next.js, React and TypeScript, and I have shipped three live websites in Kosovo. I work full-time as IT Specialist at Gama Express and represent Kosovo at the FIRST Global Challenge robotics competition.

WORK EXPERIENCE

IT Specialist · Gama Express, Prishtina

2021 – Present

- Built the company website, an exterior auto parts store: search by vehicle or OEM number, verified fitment, cart and checkout, and an admin dashboard (Next.js, TypeScript, Tailwind, Express, Prisma, PostgreSQL). Live at gamaexpress-ks.com.
- Now work full-time as an assistant across every IT department.

Web Developer Intern · Ancherz, Prishtina

Aug – Sep 2022

- One-month internship: designed in Figma and built the designs as WordPress websites.

SELECTED PROJECTS

Molla Real Estate · molla-realestate.com

Next.js · TypeScript · Express · Prisma

Property marketplace for Kosovo: buy, sell and rent apartments, houses, villas and commercial spaces across every municipality, with map-based search.

CommuniCare Clinic · communicareclinic-ks.com

Next.js · TypeScript · Prisma

Bilingual website for a speech and language therapy clinic in Prishtina, with appointment requests and a database-backed back end.
